Denver, CO 80230

Dear Keir,

Thank you for entertaining us at our Annual Service Awards Banquet. Everyone had a great time and highly enjoyed your show. Your magic was amusing and had our guests wondering "how'd he do that?" The "Magical Box" near the end was especially baffling. The mixture of magic and comedy flowed effortlessly. The audience was laughing the entire time. Pulling our CEO on stage was a hit!

Sincerely,

A handwritten signature in black ink that reads "Linda Ganz".

Linda Ganz,
HR Manager
