Re: Keir Royale: LifeIsMagical

To Whom It May Concern:

It my pleasure to prepare this letter of reference and recommendation for Keir Royale, a wonderful entertainer, magician, and illusionist.

Kids at Hope, a national youth development training, technical assistance, program enhancement, and research organization recently sponsored its annual board of director's retreat in the city of Denver, Colorado.

As part of our retreat we host a dinner for our board members and their guests. This event is designed to create fun and fellowship. We discovered Keir and contracted with him to be our evening's entertainment.

Keir was a huge hit. His comedy, magical skill and overall personality were the perfect combination after a very hard day of work. He engaged his audience with taste and professionalism.

Without exception we would utilize the skills and talent of Keir in any venue which needs the special touch of magic.

Should you have any questions and require additional information please feel free to contact me.

Sincerely,

***Rick Miller***
