Dear Keir:

I wanted to write you a quick note to thank you for your participation in our 2007 Point B Annual Getaway at the Devil's Thumb Ranch on August 17, 2007. Your "walk around magic" at dinner coupled with your magic show after dinner for our 70 guests was very entertaining and enjoyed by all. As the event planner for the evening, I received many compliments on your show from other Point B associates and their guests. We especially liked the potato and carrot cutting routine, guess the number tricks, and the grand finale portion with Rick, our Managing Director. Thanks for being so responsive with my questions and requests and being prepared and setup for the show as discussed. Although I was late in arriving, I was happy to see you already interacting with the guests and being completely setup for your show with no direction from me. I appreciated your flexibility and great attitude and look forward to talking with you about participating at our 2008 Point B Annual Getaway in Keystone, CO.

I am happy to be a reference for you if any of your potential clients would like to talk with me about my experience. Please feel free to call me at 303-974-3012.

Sincerely,

Jason Skurcenski  
Point B Senior Associate
